

UNAMI FOOTBALL BOOSTER CLUB FUNDRAISERS

Parents: The Unami Football Booster Club organization funds events, incentives, awards and a reception for the team each year. We use all additional funds to help purchase/replace equipment etc.

The following fundraising events have been scheduled for the 2008 season. These events are designed to help raise funds and reach our goals without draining parents. All activities include purchases which nearly all of us make on a regular basis (car wash, dinner out, pizza, hoagies). When made as a group and for one purpose, they can help raise funds for our cause while still giving us something in return. Simply spread the word to friends, neighbors, and family members by phone or email. In most cases it is as easy as forwarding the Booster Club event flyer... All you need to meet your goal are 2-5 families to respond!!! In the past, some parents have expressed an interest in making a flat donation in lieu of fundraiser participation.

On reverse side of this sheet, you will find the list of events, the “minimum participation (sales) goal” per player, as well as the equivalent “flat donation” option. Whichever option your family chooses, we thank you for your support!!
